Technical Skills

JavaScript, HTML/CSS, React, jQuery, Node.js, Express.js, MongoDB, MySQL, Git, Jest, Travis CI

Projects

Antarctic News   antarcticnews.herokuapp.com

A React/Node.js full stack web app that allows users to add and revise news articles.

- Implemented React front-end interface with client-side routing of containers using React Router
- Designed and wrote Node.js/Express.js REST API using a MongoDB database for storage
- Created component and API unit tests in Jest to ensure proper rendering and data handling
- Integrated continuous integration of tests with Travis CI

Homonym Helper   github.com/seeksort/homonym-helper-js

A Node.js command line app that checks a file for use of similar sounding words, e.g. "there", "their", or "they're".

- Architected and implemented object-oriented code for app logic
- Created user-friendly command line interface
- Incorporated file read/write functionality to save user text changes

Bounti   github.com/currychern/bounti

Local open source peer-to-peer food sharing React Native mobile app intended to reduce food waste. A group project for ATX Hack for Change 2017.

- Implemented application calls to add to and pull data from Firebase API
- Refactored React Native component and container code for reusability
- Mentored newer developers in React configuration and coding philosophy

Experience

Texas Health and Human Services Commission, Austin, Texas

Senior Auditor   2012 - Present

- Designed and performed audit testing of: IT application user access controls, data reliability of reports, and contract monitoring activities
- Mentored staff auditors in interviewing, documentation, and professionalism

Texas Health and Human Services Commission, Austin, Texas

Staff Auditor   2010 - 2012

- Interviewed clients to understand complex business processes and risks
- Analyzed data to identify areas of inefficiency and potential risk, and provided recommendations to clients to improve Medicaid client outcomes

Education

The University of Texas at Austin Coding Bootcamp, Full-Stack Web Development Certificate   2017

The University of Texas at Austin, Master in Professional Accounting (dual-degree program)   2010

The University of Texas at Austin, Bachelor of Business Administration (dual-degree program)   2010
